Gentlemen:

Enclosed herewith is a claim in favor of the Government in the amount of \$87.15, resulting from an accident involving a vehicle owned by this Agency. The American Mutual Liability Insurance Company, with whom the owner of the private vehicle is insured, has declined to make payment, and further processing of the claim by this Agency is believed to be ineffectual.

Although the absence of witnesses and the facts of the case may make it difficult to prove the claim, the record does not disclose any evidence of negligence on the part of our driver which would warrant a final Agency determination to shelve the matter. The claim is accordingly forwarded for whatever action you may consider advisable.

Sincerely yours,

Chief, Fiscal Division
